

# New Television Series for Lassie

Two-time Emmy Award winner and star of 11 movies, Lassie will return to the small screen with a new pet healthcare and lifestyle series. Lassie's Pet Vet will co-star Lassie and celebrity veterinarian Jeff Werber.

The series will explore the emotional bond shared between pets and their owners. In each episode, Lassie and Werber present segments that focus on this bond, as well as pet health, lifestyle and community. The show will also feature pet related trivia and pet tips ranging from travel to grooming.
